

West Yorkshire Medical Services (WYMS) is rapidly becoming the training provider of choice for many small and medium size organisations that require high quality training at competitive prices.

WYMS can offer a range of Nationally Recognised Qualifications in Health, Health and Safety, Fitness and Leisure, Water Safety and can provide accredited bespoke training courses delivered by experts in their field.

"A thoroughly enjoyable course encapsulating all my needs for progression. The course allayed fears and has given me a sound platform to build on"

West Yorkshire Medical Services Ltd

A UNIQUE QUALITY

"ONE STOP SHOP APPROACH TO TRAINING"

- Expert Tuition
- On Site Training
- Practical Based Instruction
- Competitive Prices

- A Unique One Stop Shop Approach to Training

WYMS is pleased to announce that it can deliver a range of professional Leisure Qualifications. These are appropriate for local authorities, private health clubs and personal trainers.

WYMS can offer the Leisure and Recreation Industry a range of health, fitness and leisure management qualifications delivered by highly experienced trainers and awarded by Active IQ.

Whether you are looking to develop your own competencies to become a fitness professional or continuous professional development (CPD) to add qualifications to your current portfolio WYMS has training opportunities for you.

WYMS can provide fundamental courses to develop a health and fitness qualification base and compliment this with more advanced and developmental courses as CPD or career development.

Whatever your interest - Fitness Gyms, Aqua Aerobics, Personal Training, Studio Cycling or Circuits WYMS can provide courses that suit you. We can also provide Exercise Referral qualifications for those looking for more advanced options.

If you are currently managing or looking to manage a health and fitness facility, why not invest in our management courses?

A UNIQUE QUALITY

“ONE STOP SHOP APPROACH TO TRAINING”

West Yorkshire Medical Services can provide:

- Level 2 Award in Instructing Circuit Sessions
- Level 2 Certificate in Fitness Instructing Gym
- Level 2 Certificate in Fitness Instructing ETM
- Level 2 Award in Instructing Studio Cycling
- Level 2 Certificate in Leisure Operations
- Level 2 Award in Swimming Pool Water Testing
- Level 2 Certificate in Teaching PA to children
- Level 2 and 3 Award in Swimming Pool Operations
- Level 3 Certificate in Personal Training
- Level 3 Award in Designing Pre and Post-Natal Exercise Programmes
- Level 3 Diploma in Leisure Management

- Level 3 Award in Pool Plant Operations
- Level 3 Certificate in Exercise Referral
- RLSS National Pool Lifeguard Qualification
- RLSS Emergency Response—Swimming Pool
- RLSS National Rescue Award for Swimming Teachers and Coaches

Maintaining a healthy, safe and customer focused facility is a priority in the current climate. Investing in the training of staff is essential to success with mandatory and desirable qualifications. WYMS can help provide these in both categories. From the HSE First Aid at work, the National Pool Lifeguard Qualification to the management of swimming pools and safeguarding this “one stop shop” approach can save you time and money in looking elsewhere.

WYMS can tailor make courses to your needs, adding, as an example AED training to Rescue awards and First Aid courses. Your facility and staff development will be in safe hands.

Pool Rescue and Water Safety

25 & 27th October 2012, Cookridge Hall
(RLSS Emergency Response Pool)

"Great Course, really enjoyed it. Really learnt a lot"
Great course, very straight forward and made easy to learn"
